

Simple Solutions® Level 7 Study Skills Topic Guide

The study skills topics listed below are introduced and systematically re-visited throughout Level 7 and in subsequent *Simple Solutions Study Skills* books.

Mini Teachings and diagrams imbedded in the lessons give students the information they need to complete the items independently. Also, the Help Pages – found in the back of each book – provide a glossary and research reference guide. Students may consult the Help Pages for information to complete items in the Level 7 lessons.
