

Name: Sample

My Jellybean Circle Graph

Directions: Count out exactly 100 jelly beans of various colors. Record your colors below. Then write the number of each next to the color. Use this information to create a circle graph. Label and color your graph.

Colors:

<u>red</u>	<u>23</u>	<u>green</u>	<u>10</u>	<u>white</u>	<u>19</u>
<u>orange</u>	<u>14</u>	<u>black</u>	<u>7</u>	_____	_____
<u>yellow</u>	<u>11</u>	<u>pink</u>	<u>16</u>	_____	_____
