

MAKE A LIST

What am I thinking about related to this new school year (or this particular class or course)? Just write down whatever comes to mind, no editing, no worries about spelling (?!), just let yourself go... perhaps you'll come back to this list later in the day or the week, with other things to list) Then, perhaps you can organize this. What's most immediate? Down the road?

I am thinking about this new school year. Here is a list of things that are crossing my mind. Some are things I'm worried about, some are things I'm excited about.
