The *Simple Solutions Reading Comprehension 1* passages fall into the Lexile range of 150-470.

The Lexile Framework for Reading evaluates reading ability and text complexity on the same developmental scale. Unlike other measurement systems, the Lexile Framework determines reading ability based on actual assessments, rather than generalized age or grade levels. Lexile measures connect learners of all ages with resources at the right level of challenge and monitors their progress toward state and national proficiency standards. More information about the Lexile Framework can be found at [www.Lexile.com](http://www.Lexile.com).
